Forecast for Saturday 20 Mar 2021

Weather: Some clear spells overnight, but generally a lot of cloud around, especially towards the end of the night. Then a cloudy and generally dry start to the day but some sunny spells are expected to develop through the morning. The afternoon continues bright with some sunny spells but cloud increasing at times. Dry through the evening with some clear spells.

Chance of cloud free mountain/hill tops above 600m: Around 40% at first improving close to 90% through the morning. Chances fall again during the evening as cloud lowers.

Visibility: Occasional or periods of cloud above about 600m at first lifting to leave just small amounts below the summits through the morning. Away from cloud visibility good or very good.
